Fitness Audio Systems

from \$2,995.00 ex gst

Fitness sound systems range from portable, rechargeable speakers through to Installed Fitness Room Audio.

We custom design to your requirements and all components are carefully chosen for performance, durability and ongoing user satisfaction.

1. Reliable, quality audiovisual equipment that works

- We use top AV brands with proven performance and reliability.
- Every AV system is assembled and tested in our workshop by qualified technicians before installation in order to minimize any potential AV problems occurring later.
- As commercial/corporate AV specialists, all of our equipment has been thoroughly road tested and proven by our existing client base.
- 3 Monkeys AV is at the forefront of audiovisual technology, bringing you the latest time saving and breakthrough educational systems.

2. Expert advice on the right equipment and set up

- Our AV specialist team have over 80 years collective experience.
- With over 10,000 AV installations and hire jobs, our consultants and technicians know the best solutions for your company.
- To determine the best products and systems for your installation, we conduct a unique 3 Stage "AV System Analysis and Plan". This involves:
 1. Site meeting to identify your needs
 2. Preparation of a plan (proposal, budget, implementation timeline)
 3. Presentation to explain your various options.

3. Professional installation with a neat and tidy finish

- Our installation technicians are fully employed (not contractors), ensuring quality control on our workmanship and installation.
- Our project manager and technicians are conscious of minimizing disruptions during installation periods.
- We believe in leaving your environment as we found it, so our installers carry vacuums, drop sheets, dust pans and brushes.
- Your AV install will have a neat, tidy & clean finish, with all cables hidden or contained within conduits or ducts.

4. Thorough training, personalised service and timely support

- All our AV installs include comprehensive training to ensure your staff get the full benefit of the equipment and system.
- As specialists in commercial/corporate AV, we have both AV trainers and ex teachers to educate your staff in using the audiovisual equipment effectively.
- We are committed to providing regular ongoing phone and face to face support.
- Whilst many others sell AV product and move on, 3 Monkeys AV will provide timely support, customer service and troubleshooting for the life of your AV equipment & systems.

5. Reputable, professional AV specialists

- 3 Monkeys AV is a team of specialists who have worked in all areas of audiovisual in Perth over the last 25 years.
- All our staff are well presented, wear company uniform, mind their language and remember their working environment is your business.
- Our company is fully insured and professionally run. We carry licenses with APRA and ACMA.
- Our specialist staff are all police cleared, hold Working With Children Checks and have completed all relevant safety training.
- You will be looked after by a WA owned and operated team that cares about your company & staff.

Your Next Step...

Our FREE "AV System Analysis & Plan" (Valued at \$250)

1. Site Inspection & System Analysis

First up, we visit your business and assess your needs and or frustrations with your existing system.

We take digital photographs, measurements and discuss what it is you would like to achieve, review different options available for your budget and then provide our recommendations.

2. AV System Plan

Following your System Analysis we go back to our office and custom design a system for you taking into account specific requirements and other important factors such as functionality, ease of use and aesthetics.

Our design team will use their 80 years of combined industry experience to produce a system schematic illustrating interconnection and layout.

3. Presentation of your AV Plan

So that you have a clear understanding of the proposed AV system, we present you with a detailed "System Plan & Proposal" including system design options, product information and budget options.

Any additions or alterations are considered and if required, we adjust the proposal accordingly.

Our 3 Stage Analysis ensures the system we recommend meets your requirements and budget whilst considering implementation timelines (*not worked out after the sale*) in order to supply you with all the information to make a fully informed decision.

Call 9228 1681 to discuss your AV requirements. From this conversation, we can either organise an immediate proposal for simpler requests or book your FREE "AV System Analysis and Plan".
