Triple PA System - Portable

from \$6,499.00 ex gst

Designed specifically for multipurpose **school halls and undercover areas**, our versatile system, connected to 2 speakers on stands (supplied extra) may be wheeled to any desired area of your school and set up in minutes.

This system will provide clear intelligible sound for all of your school's events from school assemblies, right through to full school productions, sports carnivals, Anzac ceremonies and performances including visual presentations, movie nights and school discos.

- System may be supplied with our portable speaker kit (add \$1,790.00 ex gst)

Triple PA System - Installed

from \$8,799.00 ex gst

Supplied and installed with 4 commercial grade speakers and speaker wall plate, the system is easy to use and may be supplied with a host of optional extras such as:

- Portable speaker kit
- CD player / MP3
- Bluetooth music player
- Additional wireless microphones
- Choir microphone kit

System comes with a 2 year warranty and includes onsite training session.

Undercover Area Projection

from \$9,995.00 ex gst

Consisting of high-grade components and a simple "one touch" operating system our **Undercover Area Projection Solutions** offer schools bright and powerful projection with a fully automated electric screen and a simple to operate wall connection plate.

Your investment is protected in a sturdy projector cage, guarding it from ball sports or possible theft.

Our one touch solution eliminates the requirement for complex remote control units that are often lost, broken or require new batteries.

Operation of the system is intuitive and requires very little staff training.

Portable Lighting

from \$499.00 ex gst

Easy to set up and simple to operate LED lights mounted on a push up tripod stand.

Supplied with carry bag and floor foot controller, lights may also be set to "auto" mode and will move to the beat of the music.

Installed Lighting Solutions

from \$8,499.00 ex gst

Our **Lighting Solution** will add that "slick-wow" factor and is supplied with 4 or 8 LED lights and a pre-programmed lighting console with full post installation training.

Pre-programmed lighting scenes are accessed by simply moving a clearly labelled control lever (fader).

Staff and students will have the option to expand their creativity with future assemblies, school productions or awards ceremonies.

School Lectern

from \$1,299.00 ex gst

High quality lecterns available and may be supplied with optional:

- Condenser gooseneck microphone
- LED light
- Custom school logo on front of lectern

Why choose 3 Monkeys for your school AV

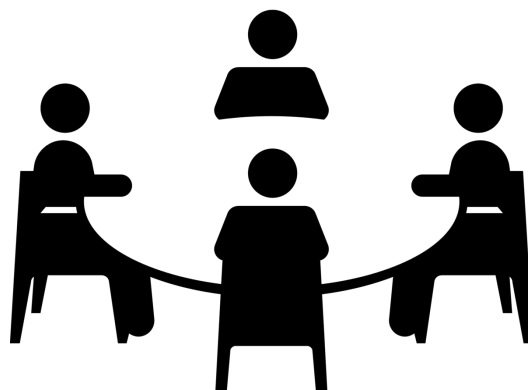

1. Reliable, quality audiovisual equipment that works

- We use top AV brands with proven performance and reliability.
- Many of our AV items are specifically designed for schools, such as our interactive LED and Whiteboard solutions and Triple P.A System.
- Every AV system is assembled and tested in our workshop by qualified technicians before installing in your school in order to minimize any potential AV problems occurring later.
- As school AV specialists, all of our equipment has been thoroughly road tested and proven by our existing client base.
- 3 Monkeys AV is at the forefront of school audiovisual technology, bringing you the latest time saving and breakthrough educational systems.

2. Expert advice on the right equipment and set up

- Our AV specialist team have over 80 years collective experience.
- With over 10,000 AV installations and hire jobs, our consultants and technicians know the best solutions for your school.
- To determine the best products and systems for your school, we conduct a unique 3 Stage "School AV System Analysis and Plan". This involves:
 1. Site meeting to identify your needs
 2. Preparation of a plan (proposal, budget, implementation timeline)
 3. Presentation to explain your various options.

3. Professional installation with a neat and tidy finish

- Our installation technicians are fully employed (not contractors), ensuring quality control on our workmanship and installation.
- With ex teachers on staff, our design and installation takes into account many "teaching requirements" that others are unaware of.
- Our project manager and technicians are conscious of minimizing disruptions during installation periods.
- We believe in leaving your environment as we found it, so our installers carry vacuums, drop sheets, dust pans and brushes.
- Your AV install will have a neat, tidy & clean finish, with all cables hidden or contained within conduits or ducts.

Why choose 3 Monkeys for your school AV

4. Thorough training, personalised service and timely support

- All our school AV installs include comprehensive training to ensure your staff get the full benefit of the equipment and system.
- As specialists in school AV, we have both AV trainers and ex teachers to educate your teachers your teachers in using the audiovisual equipment effectively.
- As schools are our focus, we are committed to providing regular ongoing phone and face to face support.
- Whilst many others sell AV product and move on, 3 Monkeys AV will provide timely support, customer service and troubleshooting for the life of your AV equipment & systems.

5. Reputable, professional school AV specialists

- 3 Monkeys AV is a team of specialists who have worked in all areas of audiovisual in Perth over the last 25 years.
- All our staff are well presented, wear company uniform, mind their language and remember their working environment is your school.
- Our company is fully insured and professionally run. We carry licenses with APRA and ACMA.
- Our specialist staff are all police cleared, hold Working With Children Checks and have completed all relevant safety training.
- You will be looked after by a WA owned and operated team that cares about your school and teachers.

Your Next Step...

Our FREE "School AV System Analysis & Plan" (Valued at \$250)

1. Site Inspection & System Analysis

First up, we visit your School and assess your needs and or frustrations with your existing system.

We take digital photographs, measurements and discuss what it is you would like to achieve, review different options available for your budget and then provide our recommendations.

2. AV System Plan

Following your System Analysis we go back to our office and custom design a system for you taking into account specific requirements and other important factors such as functionality, ease of use and aesthetics.

Our design team will use their 80 years of combined industry experience to produce a system schematic illustrating interconnection and layout.

3. Presentation of your AV Plan

So that you have a clear understanding of the proposed AV system, we present you with a detailed "System Plan & Proposal" including system design options, product information and budget options.

Any additions or alterations are considered and if required, we adjust the proposal accordingly.

Our 3 Stage Analysis ensures the system we recommend meets your requirements and budget whilst considering implementation timelines (*not worked out after the sale*) in order to supply you with all the information to make a fully informed decision.

Call 9228 1681 to discuss your school's AV requirements. From this conversation, we can either organise an immediate proposal for simpler requests or book your FREE "School AV System Analysis and Plan".
