PRICING FROM \$5,999 + GST

TESTIMONIALS

HERE'S WHAT OTHERS HAD TO SAY ABOUT
3 MONKEYS AUDIOVISUAL

3 Monkeys AV know exactly what they are talking about and recommending. They are a very professional company. The feedback from our staff is very impressive in regards to the performance and quality of the system. 3MAV have been very prompt to respond. The value of the products and services from 3 Monkeys AV is very reasonable. They would not be on the CUA if they were not value for money as government is very price conscious. The staff at 3 Monkeys Audiovisual are very professional and gave an extensive demonstration before making a decision on their purchase.

Kim Anastasio - Department of Training & Workforce Development

The presentation we received from 3 Monkeys AV was excellent. A Professional and detailed system plan with clear descriptions and illustrations made it easy to present and explain to executive. The system is brilliant, efficient and effective. The installation was neat and completed on time.

Everybody finds the system easy to use and we are so happy with its simple operation. At no time did we need to call 3 Monkeys AV as they clearly outlined the installation process and contacted us at the relevant times. 3 Monkeys AV customer service is excellent.

Narlin Dias - IT Coordinator, City of Nedlands

I have been impressed with 3 monkey's ability to design a complex system to meet our needs for simulation training. We had a tight budget and were offered a superior system that has allowed us to for fill our AV needs immediately as well as provided us the flexibility to increase the system functionality as we have updated our other equipment. The 3 Monkeys team has always been available and helpful during the development and after care stages. During the entire process I have always felt valued even though my project hasn't been the biggest or most expensive project. The service provided by 3 Monkeys has had a direct and positive impact on the way we have been able to deliver training to candidates within our Simulation training. Thanks again Francis.

Murray Giles - A/MET Educator, Fremantle Hospital and Health Service

The products were outstanding and we haven't had any issues. I couldn't be happier, the service was timely and we didn't require any follow up support. The value of the products and services was amazing. I didn't feel like I was spending my money, I was solving my problems. All the staff at 3 Monkeys AV were excellent, polite and on time. The range of products provided really suited our needs. 3 Monkeys Audiovisual is my first choice every time, I don't need to go anywhere else.

Michael Popkiss - SDA Fremantle

The quality of our Large Screen Projection and Audio System is top notch. We've never had any issues with the performance and we can't fault the system at all. The service and follow up support was fantastic. 3 Monkeys Audiovisual were easy to contact, consistently had quick responses and answered any questions or fixed any issues we had straight away.

Cameron Hunt - Swan care Group

4. Thorough training, personalised service and timely support

- All our AV installs include comprehensive training to ensure your staff get the full benefit of the equipment and system.
- As specialists in commercial/corporate AV, we have both AV trainers and ex teachers to educate your staff in using the audiovisual equipment effectively.
- We are committed to providing regular ongoing phone and face to face support.
- Whilst many others sell AV product and move on, 3 Monkeys AV will provide timely support, customer service and troubleshooting for the life of your AV equipment & systems.

5. Reputable, professional school AV specialists

- 3 Monkeys AV is a team of specialists who have worked in all areas of audiovisual in Perth over the last 25 years.
- All our staff are well presented, wear company uniform, mind their language and remember their working environment is your school.
- Our company is fully insured and professionally run. We carry licenses with APRA and ACMA.
- Our specialist staff are all police cleared, hold Working With Children Checks and have completed all relevant safety training.
- You will be looked after by a WA owned and operated team that cares about your school and teachers.

1. Reliable, quality audiovisual equipment that works

- We use top AV brands with proven performance and reliability.
- Every AV system is assembled and tested in our workshop by qualified technicians before installation in order to minimize any potential AV problems occurring later.
- As commercial/corporate AV specialists, all of our equipment has been thoroughly road tested and proven by our existing client base.
- Monkeys AV is at the forefront of audiovisual technology, bringing you the latest time saving and break-through educational systems.

2. Expert advice on the right equipment and set up

- Our AV specialist team have over 80 years collective experience.
- With over 10,000 AV installations and hire jobs, our consultants and technicians know the best solutions for your company.
- To determine the best products and systems for your Installation, we conduct a unique 3 Stage "AV System Analysis and Plan". This involves:
 1. Site meeting to identify your needs
 2. Preparation of a plan (proposal, budget, implementation timeline)
 3. Presentation to explain your various options.

3. Professional installation with a neat and tidy finish

- Our installation technicians are fully employed (not contractors), ensuring quality control on our workmanship and installation.
- Our project manager and technicians are conscious of minimizing disruptions during installation periods.
- We believe in leaving your environment as we found it, so our installers carry vacuums, drop sheets, dust pans and brushes.
- Your AV install will have a neat, tidy & clean finish, with all cables hidden or contained within conduits or ducts.
