TRIPLE PA

TRIPLE PA - PORTABLE

FROM \$8,925 + GST

Designed specifically for multipurpose school halls and undercover areas, our versatile system, connected to 2 speakers on stands may be wheeled to any desired area of your school and set up in minutes.

This system will provide clear intelligible sound for all of your school's events from school assemblies, right through to full school productions, sports carnivals, Anzac ceremonies and performances including visual presentations, movie nights and school discos.

- This system may also be supplied as a fully installed option—see below.

TRIPLE PA - INSTALLED

FROM \$11,390 + GST

Supplied and installed with 4 commercial grade speakers and speaker wall plate, the system is easy to use and may be supplied with a host of optional extras such as:

- Portable speaker kit
- CD player / MP3
- Bluetooth music player
- Additional wireless microphones
- Choir microphone kit

System comes with a 2 year warranty and includes onsite training session.

UNDERCOVER AREA

UNDERCOVER AREA PROJECTION

Consisting of high-grade components and a simple “one touch” operating system our Undercover Area Projection Solutions offer schools bright and powerful projection with a fully automated electric screen and a simple to operate wall connection plate.

Your investment is protected in a sturdy projector cage, guarding it from ball sports or possible theft. Our one touch solution eliminates the requirement for complex remote control units that are often lost, broken or require new batteries.

Operation of the system is intuitive and requires very little staff training.

FROM \$9,425 + GST

REMOTE ASSEMBLY LIVE STREAMING

Our school hall remote assembly/live streaming system has been custom designed specifically for school halls and undercover areas.

FROM \$8,415 + GST

Our packages can include:

- Streaming and Recording System
- Full HD Camera
- Simple Push Button Wall Controller
- Easy USB Recording Access
- Custom camera protection surround
- Installation, Test & Commissioning
- Staff Training

LIGHTING SYSTEMS

INSTALLED LIGHTING SOLUTIONS

FROM \$6,195 + GST

Our Lighting Solution will add that “slick-wow” factor and is supplied with 4 or 8 LED lights and a pre-programmed lighting controller and full post installation training.

Pre-programmed lighting scenes are accessed by simply moving a clearly labelled control lever (fader) on our digital controller option.

Staff and students will have the option to expand their creativity with future assemblies, school productions or awards ceremonies.

PORTABLE LIGHTING SOLUTIONS

FROM \$599 + GST

Easy to set up and simple to operate LED lights mounted on a push up tripod stand.

Supplied with carry bag and floor foot controller, lights may also be set to “auto” mode and will move to the beat of the music.

SCHOOL THEATRE

SCHOOL STAGING

Each Fold & Roll staging podium may be used singularly or join multiple Fold & Roll units simply & safely together in a variety of size and shape configurations.

Once the stage is no longer required, storage is not an issue as the stage deck units store upright slotted compactly together - a minimalist mobile storage solution.

Optional stage skirting and backdrop curtains also available on request.

Basic solution consists of 3 x 2400 x 1200mm podiums and delivery to school.

FROM \$5,999 + GST

STAGE CURTAINS

Professionally installed Stage Curtains will complete your school's stage area and improve the sound by reducing reverberation and feedback.

Transforming your schools gym, auditorium or undercover area into an exciting, genuine theatrical environment!

FROM \$5,265 + GST

LECTERNS

High quality lecterns available and may be supplied with optional:

- Condenser gooseneck microphone
- LED light
- Custom school logo on front of lectern
- Delivery & set up

FROM \$1,375 + GST

INTERACTIVE SOLUTIONS

INTERACTIVE WHITEBOARD SOLUTIONS

FROM \$4,525 + GST

Our Interactive Whiteboard (IWB) Solutions consist of an Epson Ultra Short Throw interactive laser projector mounted above a porcelain white board.

A wall mounted input plate allows the presenter to plug in their computer/laptop and annotate over their presentation using finger or supplied electronic pens. (Note: not all models have finger touch capability)

Speakers mounted either side of the projector provide crisp, clear audio throughout the classroom.

EDUTOUCH INTERACTIVE 4K LED PANEL

FROM \$4,495 + GST

We specialise in interactive LED technology and can offer varying screen sizes including 65", 75" displays suitable for classrooms or have large format 86" & 98" Displays for your school library, hall or undercover area.

Offering both wall mounted and mobile trolley options to suit your schools needs.

All of our EduTouch panels come with 7 Year onsite warranty, Free and ongoing training + \$3500 of Educational software absolutely FREE.

Snowflake

INTERACTIVE SOLUTIONS

EDUTOUCH MOBILE TROLLEYS

FROM \$725 + GST

Our LED panels may also be supplied on sturdy, safe and easy to manoeuvre mobile trolleys. We have motorised height adjustable trolleys, non-motorised trolleys and fixed floor stands available.

You can simply adjust the height of your display with the touch of a button on our premium motorised trolley.

EDUTOUCH KINDY TROLLEY

FROM \$1,495 + GST

The EduTouch Kindy Solution is designed specifically for use within the Kindergarten & Pre-School environment.

An EduTouch 65" Panel is mounted securely to a Kindy trolley finished in a natural beech wood colour.

The education software included with the EduTouch Kindy Solution provides teachers with a fully interactive education solution with the flexibility of using your existing software .

PORTABLE PA

SMALL PORTABLE PA

FROM \$599 + GST

Offering a range of various small handheld portable pa systems. All system are re-chargeable and can run for up to 7 hours on a single charge.

The system can simply be supplied with a cabled microphone or alternatively you can option your system with a wireless microphone and receiver. Options including; *Handheld microphone, Headset microphone and Lapel microphone.*

Ideal for classrooms, small gatherings or post school meetings.

MEDIUM TO LARGE PORTABLE PA

FROM \$899 + GST

For general school use we offer medium to larger options with the ability to cover larger audience sizes.

Additional extension speakers or "sports speaker kits" further offer the ability to cover larger outdoor events such as sporting carnivals.

Optional extras:

- Protective speaker covers
- Speaker stand
- Wireless microphone options
- Sports speaker kits

SCHOOL AV

SCHOOL WIDE PA

Never miss another school bell!

We custom design & install effective and simple to use **Automated School Bell / Paging & Lockdown Systems**, complete with Alert Tone Generators.

You can even have music as your school bell or alert sound.

With indoor classroom and hallway outdoor speakers, you'll hear announcements and bells from all around your school.

Outdoor speakers

Indoor speakers

FROM \$6,115 + GST

DIGITAL SIGNAGE

Digital signage displays are a great way to provide information about upcoming events or any school news to teachers, parents or students.

Displays can be in reception area, around the school or alternatively providing internal information or content to your staff in your staff room.

There is a range of content management software available that makes creating and sharing daily updates and new content to your display quick and easy. You can show daily news and weather updates as well as have images and videos showing and much more.

SCHOOL AV

ACOUSTIC TREATMENT

FROM \$2,755 + GST

Acoustic Panels help reduce noise in the classroom, library or school hall, making it easier for students to focus & learn.

The panels come in a range of different shapes and sizes and can be installed throughout the classroom to absorb any unwanted echo or reverberation within the classroom. Once the panels are installed you will immediately notice change in the noise energy.

The finish is high quality soft material interior design standard, so not only will they perform sonically, but also visually.

VIDEO CONFERENCING

FROM \$1,455 + GST

3 Monkeys AV can cover all your video conferencing requirements including, audio, video, control systems and provide all in one solutions and custom designed installed packages.

We offer packages to match the size of the room, acoustic environment and connection form.

Offering video conferencing solutions for classrooms, small huddle rooms, large staff rooms and more.

3MAV systems have been fantastic. They all work well and do exactly what we need. The service we received from 3MAV was very good, supportive and really geared towards what we needed. Everyone was very well organized and extremely helpful. The value of the products and the services provided were excellent. We have gotten so much use out of all the systems. The range of products was very relevant and perfect for our requirements. Nothing was ever too much trouble. A couple of times when we phoned for extra support or services 3MAV attended really quickly and were very efficient in fixing our issues.

Libby Johnson – Principal – Mt Claremont Primary School

The systems are fantastic (undercover area pa and projection). They work well and are very clear. The service we received from 3MAV was fantastic. I think the systems were good value for money, they work well and we are very happy with them. The people from 3MAV that came out to do the job are awesome to deal with and very professional. The range of products and services is one of the main reasons we keep coming back to 3MAV. They always have different options for our requirements and know exactly what will suit our needs. We are very happy with the service we receive from 3MAV, it keeps us coming back every time.

Bradden Mitchell – Principal – East Vic Park Primary School

The performance and quality of everything we have purchased from 3 Monkeys Audiovisual has been good and the service is always excellent. Great value for money. We have never had any problems with the staff at 3 Monkeys Audiovisual. Interesting range with a variety of different things to choose from. Overall, dealing with 3 Monkeys Audiovisual is a positive experience. I will always go back because I get the best service and I know 3 Monkeys Audiovisual do everything they can to give us the best products available.

Chris Dunning – Principal – St Mary's Primary School

The performance and quality of the products at 3 Monkeys Audiovisual is very good. The Service was great and the follow up support was prompt and effective. The value was excellent, we really got what we needed to fit our budget. Everyone at 3 Monkeys Audiovisual was well presented and professional. The range covers anything I could think of needing for the school.

James Tuson – John Septimus Roe

The performance is brilliant. We've had no trouble. The ease of use is superb. The families who have attended our assemblies have all said that they can at last hear everything at the assemblies. Everything has been terrific. The simplicity of it all is excellent. The value for money has been great. The service provided was excellent. It was all done in a day. There were no hassles whatsoever from the workers who came out or the equipment.

Gerard Foletta – Deputy Principal – Medina Primary School

We have found 3 Monkeys AV to be the ultimate professional team. From initial enquiry, quote, install to training – all staff were friendly, helpful and knowledgeable. Nothing was too much trouble, and we were kept informed at all stages of the install. We cannot get enough of our system!! The quality of the sound system is AMAZING! In fact at our assemblies, we have been inundated with parent feedback about how amazing the children sound. Being able to entertain over 400 students in one room with a movie where they can all see and hear clearly is a dream! We cannot thank Enzo enough.

Lana Viska - Manager Corporate Services – Hampton Park Primary School

WHY CHOOSE 3 MONKEYS AV

1. Reliable, quality audiovisual equipment that works

- We use top AV brands with proven performance and reliability.
- Many of our AV items are specifically designed for schools, such as our interactive LED and Whiteboard solutions and Triple P.A System.
- Every AV system is assembled and tested in our workshop by qualified technicians before installing in your school in order to minimize any potential AV problems occurring later.
- As school AV specialists, all of our equipment has been thoroughly road tested and proven by our existing client base.
- 3 Monkeys AV is at the forefront of school audiovisual technology, bringing you the latest time saving and breakthrough educational systems.

2. Expert advice on the right equipment and set up

- Our AV specialist team have over 80 years collective experience.
- With over 10,000 AV installations and hire jobs, our consultants and technicians know the best solutions for your school.
- To determine the best products and systems for your school AV, we conduct a unique 3 Stage **AV System Analysis and Plan**. This involves:
 1. Site meeting to identify your needs
 2. Preparation of a plan (proposal, budget, implementation timeline)
 3. Presentation to explain your various options.

3. Professional installation with a neat and tidy finish

- Our installation technicians are fully employed (not contractors), ensuring quality control on our workmanship and installation.
- Our project manager and technicians are conscious of minimizing disruptions during installation periods.
- We believe in leaving your environment as we found it, so our installers carry vacuums, drop sheets, dust pans and brushes.
- Your AV install will have a neat, tidy & clean finish, with all cables hidden or contained within conduits or ducts.

4. Thorough training, personalized service and timely support

- All our school AV installs include comprehensive training to ensure your staff get the full benefit of the equipment and system.
- As specialists in school AV, we have AV trainers to educate your teachers in using the audiovisual equipment effectively.
- As schools are our focus, we are committed to providing regular ongoing phone and face to face support.
- Whilst many others sell AV product and move on, 3 Monkeys AV will provide timely support, customer service and troubleshooting for the life of your AV equipment & systems.

5. Reputable, professional AV Specialists

- 3 Monkeys AV is a team of specialists who have worked in all areas of audiovisual in Perth over the last 30 years.
- Our company is fully insured and professionally run. We carry licenses with APRA and ACMA.
- All our staff are well presented, wear company uniform, mind their language and remember their working environment is your school.
- Our specialist staff are all police cleared, hold Working With Children Checks and have completed all relevant safety training.
- You will be looked after by a WA owned and operated team that cares about our customers.
