

WHY CHOOSE THE TRIPLE PA SYSTEM FOR YOUR SCHOOL?

1 Audio System for ALL your School events!

Our 2-in-1 audio system is designed specifically for schools and can be used for **all events and areas** providing clear audio for **school assemblies & performances in a hall or undercover areas** right through to **sports carnivals out on the school oval**.

The system comes pre-assembled and professionally wired by our qualified technicians. The unit is then clearly labelled (mic 1, mic 2, Aux etc) then delivered and installed by our team.

The main road case may also be unplugged from the speaker wall plates that we install in your store room and be **wheeled to any other location** for connection to our optional Portable Speaker Kit – allowing you to enjoy excellent audio coverage for events such as:

- Sports carnivals
- Anzac Ceremonies
- Outdoor assemblies
- School fetes
- Christmas carols and more...

TRAINING AND SUPPORT

Following installation we book in a **FREE Fun & Informative Training Session** where our trainer will run through how to use and setup the system. Delivered in easy to understand format, no technical jargon! We are also happy to offer over the phone and email support for the life of the PA.

SETUP IS AS EASY AS 1,2,3 GO...

TRIPLE PA - INSTALLED

Designed specifically for multipurpose school halls and undercover areas, our Triple PA System is supplied and installed with 4 commercial grade speakers and speaker wall plate, the system is easy to use and may be supplied with a host of optional extras such as:

- Portable speaker kit
- Bluetooth music player
- Additional wireless microphones
- Choir microphone kit

System comes with a 2 year warranty and includes onsite training session.

WHAT'S INSIDE THE PA CASE?

Clearly labelled volume mixer with anti-tamper plate.

One button ON/OFF Switch

Dual Wireless Microphone Receiver

Bluetooth Music Receiver

Extra Room for an additional Wireless Microphone in the future

Pull out laptop/Tablet Tray

Lockable storage compartment

Amplifier secured behind an anti-tamper proof plate

Heavy Duty Castor Wheels

TRIPLE PA - PORTABLE

Designed specifically for multipurpose **school halls and undercover areas**, our versatile system, connected to 2 speakers on stands may be wheeled to any desired area of your school and set up in minutes.

This system will provide clear intelligible sound for all of your school's events from school assemblies, right through to full school productions, sports carnivals, Anzac ceremonies and performances including visual presentations, movie nights and school discos.

WHAT'S INSIDE THE PA CASE?

Clearly labelled volume mixer with anti-tamper plate.

One button ON/OFF Switch

Dual Wireless Microphone Receiver

Bluetooth Music Receiver

Extra Room for an additional Wireless Microphone in the future

Pull out laptop/Tablet Tray

Lockable storage compartment

Amplifier secured behind an anti-tamper proof plate

Heavy Duty Castor Wheels

FEATURES OF THE TRIPLE PA

PULL OUT LAPTOP TRAY

A PULL OUT TRAY FOR YOUR LAPTOP OR TABLE WITH THE AUX CABLE SITTING ON IT READY FOR PLUG AND PLAY OF YOUR DEVICE TO THE AUDIO SYSTEM.

LOCKABLE DRAW

A STORAGE DRAW FOR YOUR WIRELESS MICROPHONES, SPARE BATTERIES AND QUICK START GUIDES AND ANY OTHER ACCESSORIES.

LABELLED CONTROLS

ALL VOLUME CONTROLS ARE CLEARLY LABELLED ALLOWING QUICK AND SIMPLE ADJUSTMENT FOR:

- MICROPHONE 1
- MICROPHONE 2
- BLUETOOTH MUSIC VOLUME
- AUX (PC) VOLUME ETC

HEAVY DUTY CASE WITH CASTOR WHEELS

THE PA SYSTEM COMES PRE-ASSEMBLED BY A QUALIFIED TECHNICIANS READY TO FLICK A SWITCH AND GO.

THE PA COMES IN A HEAVY DUTY ROAD CASE WITH LOCKABLE TOP AND FRONT LIDS WITH EASY TO MANOUVER LOCKABLE CASTOR WHEELS.

INSTALLED

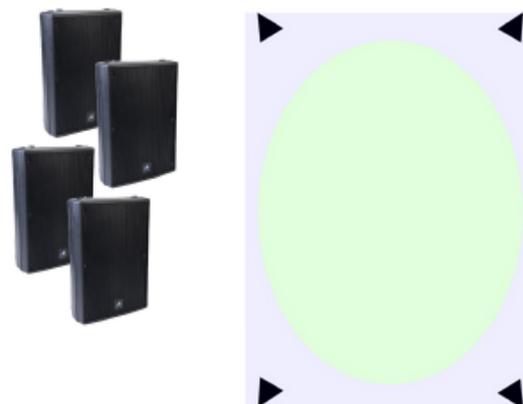

4-WAY SPEAKER SYSTEM

Systems installed with only 2 speakers result in the need to run the PA at higher volumes to reach the back of the space, this is not an enjoyable experience for those sitting in the first half of the room.

That is why we install all our Triple PA Systems with a **4 way speaker system** with 2 at the front and 2 rear speakers. The result is a far more enjoyable volume level with even and clear audio coverage.

Our speakers are strategically placed for optimal audio both on and off the stage and no feedback.

We use high quality commercial grade speakers that are built to LAST!

Optional: Speaker Cages

For unsecured areas we can offer optional anti-theft/ protection security cages.

PORTABLE SPEAKER KIT (OPTIONED)

supplied as an independent speaker kit to the already installed speakers in your hall or undercover area. This kit will give you the freedom to unplug your Triple PA from the wall and wheel to any other location and connect the speakers in minutes.

Allowing you to enjoy excellent audio coverage for events such as:

- Sports carnivals
- Anzac Ceremonies
- Outdoor assemblies
- School fetes
- Christmas carols and more...

Consists of

- 2 x 12" Commercial Grade Speakers
- 2 x Speaker Stands
- 2 x 20m Connection Cables

OPERATION & STORAGE

The system can operate from either your AV store room or side of presentation area. The PA case is connected to the installed wall mounted speaker input plates – this will send audio to the newly installed speaker system.

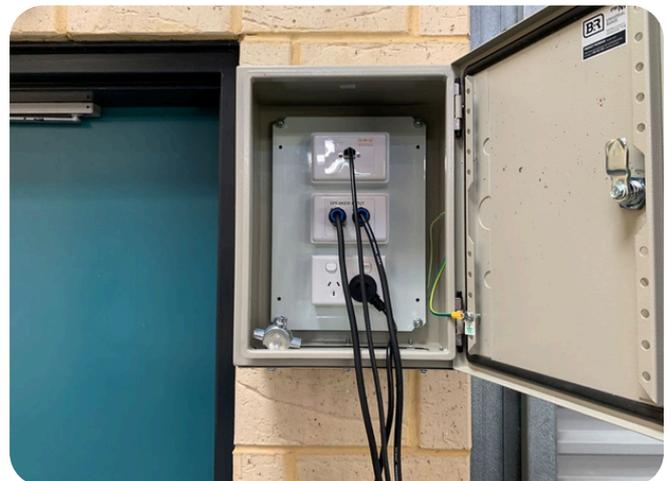

The mobile rack enclosure has covers for protection whilst in storage, transporting or moving locations.

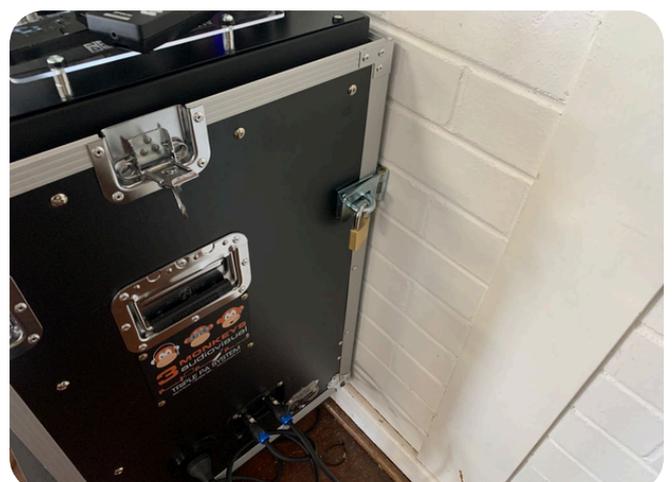

IF YOU DON'T HAVE AN AVAILABLE AV STORE ROOM OR CUPBOARD

Not to worry we can install the inputs in a lockable box within the undercover area.

Lockable wall Box- Houses Speaker inputs, Projection HDMI input (if applicable) and GPO power outlet.

We can also securely padlock your Triple PA to the wall of your choice.

OPTIONAL EXTRAS

TRIPLE PA SECURITY CAGE

For undercover areas that require extra protection for their PA case, we offer this custom fabricated metal cage which is bolted to the ground and supplied with a heavy duty padlock.

CHOIR MICROPHONE KIT

Consisting of:

- 2 x PRO condenser Choir Microphones
- 2 X Boom Mic Stands
- 2 X 20 M Mic Cables

Connects to your Triple PA system and allows the capture of audio from an entire ensemble on stage, reproducing the audio through your installed PA system.

OVERFLOW KIT

The overflow kit is inputs installed on the exterior of your undercover area or chosen location for connecting your optional portable speaker kit.

This provides extra audio coverage for those sitting outside the undercover area for your bigger events

DUAL HEADSET MICS

Dual Wireless Microphone Headset for those looking for extra versatile microphone options.

MAXIMIZE PERFORMANCE MINIMIZE DISRUPTIONS!
